Match Report

Not many people would have given us a chance of chasing down a >230 score at the start of this match, but after great knocks from the top four we nearly did just that. Once again, Chas Scott-Kerr of Witney Swifts 1s was the difference, scoring 119 of the 238 runs Wytham set (the board said 243, but the scorebook surely never lies?). Frankly, we probably gave away about 25 runs in the field and dropped some important catches (yours truly as guilty as anyone, sorry Nick and Jonners). But take nothing away from our response. We were always playing catch-up, but the top four nearly did it for us after falling below the run-rate in the first half of the game. The Wytham bowling was at times a little cafeteria but balls needed to be put-away and throughout the last 5 overs Isis remained in the hunt. **Verdict:** Another great game, but Dammit! Well done though to Luke, Oly, Lord S. and Jonners and well done to the bowlers too, persevering through a difficult innings. Spare a thought for Steve Cooper who joined the "Better to Head it for 4 than Catch it at Eynsham" club, and hope the lump has now gone down. Not sure why you did not hit 20 off the last over, regardless of the concussion mate.
