Ravi, I didn't write a formal report for the AGM, but these were the notes I worked from:

### Fixture Secretary Report 2018

- Played 44 and 9 cancelled.
- Good fixture list as we won about half + nice opposition + close matches.
- Most were reliable – Bodleian and Appleton let us down (NW reviewing for 2019).
- 2019 fixture list is nearly done. Tour same weekend to same places. Aiming for about 48 games – slightly less double headers. New teams such as Horspath + Greys Green, Clapham, Blenheim, Kempsford and Swindon at home.
- Lots of Queen's fixtures next season. We will only need our other two grounds a few times.
- Change of cup format for 2020 to be discussed at next meeting. Next year we are AHH (Hampstead away to start with).
- Tour ideas for 2020?
